Difference (total – delivered)	- 352	- 662	- 79	2601	362	12738	- 144	16

Notes:

- The difference between the total (production + import) and the local sales is due to the stock during the month, in addition to the fact that the import figures are initial figures to be modified later on.
- As for the fuel oil, the major difference between the production and local sale represents the quantity mixed with the exported crude oil
